

2021 Midwest Alliance Cup Supplemental Policies

DURATION OF GAMES AND HALFTIMES:

Running time will be used throughout the entire tournament. All games up to the semifinals will consist of 40-minute halves separated by a five-minute halftime. Semifinal and final competition will have 40-minute halves separated by a seven minute halftime. Pool play games that are tied at the end of regulation time will remain tied. Playoff games that are tied will go into overtime play. Overtime play will consist of two 10 minute, sudden victory overtime periods. If still tied at the conclusion of the overtime periods, kicks from the penalty mark will be taken to determine a winner.

FIELD MARSHAL: The Field Marshals are there to assist clubs with anything teams might need and to handle the administrative concerns of the match. They do not have any authority over any decision made by the referee. Immediately after the match the Field Marshal will make sure the match sheet is signed by each team representative and given to MASC representatives.

GAME CHECK-IN CONDUCT: At least fifteen minutes prior to the start of each scheduled game, the Field Marshal will check the teams in for play. Each player must have a physical government or university picture ID that must match to the team's player roster. Digital IDs are not permitted to be used. A team who fails to properly check in with the Field Marshal will forfeit that game.

FORFEITURES: Teams failing to check-in (15) minutes prior to their scheduled kick-off time or failing to report ready to play within (5) minutes of scheduled kick-off time may forfeit their match. All teams must have a minimum of (7) players present to start the match. Teams who have forfeited may continue on in the tournament.

FORFEITED GAME GOAL DIFFERENTIAL: In the Midwest Alliance Cup, a forfeited game will result in a 5-0 win for the winning team, which produces a +5 goal differential. This will also result in ten Power Ranking Points. In the event that both teams forfeit a game, they will both receive a loss, with no effect on goal differential.

PLAYERS' EQUIPMENT: All players are required to wear shin guards under socks. No jewelry may be worn in competition, except medical alert or religious necklaces

(taped to chest). Players shall wear approved footwear (no center cleats). All players must wear matching uniforms. All players must have a permanent number (minimum 6") on the back of their uniform, with no duplicated numbers on a team. Uniforms with taped or hand written numbers will not be allowed. NO unpadded hard casts permitted. If a player has a soft cast, the player must have a doctor's release and approval from the referee to play. NO knee braces made of hard, unyielding material are permitted, unless hinges are covered on all sides with approved padding, and all its edges are overlapped. Players not in compliance will be CAUTIONED (yellow carded) and sent off the field until the changes are made and the requirement is met.

SUBSTITUTIONS: Substitutions are allowed during goal kicks (by either team), for an injured player (one for one), for a yellow card (one for one) although not mandatory, and after a goal has been scored. Substitutions by the team with possession of the ball shall be permitted prior to a restart by a throw-in and corner kicks. If the team in possession chooses to substitute, the team not in possession may substitute as well. If the team in possession chooses not to substitute, the team not in possession may not substitute.

Players entering before goal kicks, corner kicks or throw-ins must wait at the half-way line prior to the ball going out of play, so that a team may not stall by sending a substitute in after the ball is already out of play.

COACHING: All Team Captains or Team Presidents/Coaches have total responsibility for the conduct of their players, substitutes, friends and spectators at all times. Coaching from the sidelines (giving direction to one's own team on points of strategy and position) is permitted, provided:

- No mechanical devices are used
- The tone of the voice is instructive and not derogatory
- Each coach or substitute remains within 10 yards on their team bench side of the half-way line
- No coach, substitute, or spectator makes derogatory remarks or gestures to the referees, other coaches, players, substitutes, conference officials or spectators
- No coach, substitute, or spectator uses profanity or incites disruptive behavior of any manor

CAUTIONS AND SEND OFFS: A player or coach receiving two cautions (yellow cards) in a single game is considered to have been sent off (red card). A player who has been sent off will not be replaced. A player or coach who has been sent off will not return for that game and will not be allowed to participate in the next scheduled game. (Including the NIRSA National Championships) A player or coach who is sent off may be removed for more than one game, following the game when the sending off occurred, depending on the severity of the infraction. For the purpose of this Tournament, a Coach can be carded. A team will be disqualified from the Tournament if any player or coach fails to comply with the provisions of this section.

SUSPENDED AND TERMINATED GAMES: If in the opinion of tournament officials, a game must be suspended (for reason), the game may be resumed but is subject to being ended not less than five (5) minutes prior to the scheduled start of the next

game. If in the opinion of tournament officials, a game must be terminated for misconduct of players, bench coaches, or spectators, the offending team may be suspended from further play and forfeits that game and all remaining games. All previous points earned remain as played. Additionally, the sponsoring University will be contacted as appropriate. If a game is terminated due to problems associated with the fields, including lighting, or due to the serious injury of a player (see the next section entitled "INJURY") the resumption of play for that game will be at the discretion of the tournament officials. Tournament officials may at their option conclude the game, require completion of the game or utilize kicks from the penalty mark to determine the winner of the game depending upon the circumstance and taking into account the potential effect of the game results on the standings of the teams.

INJURY: Delays of the game will only be allowed for an injury requiring professional medical attention and the inability to remove the injured player from the field until and while the medical attention is being provided to the player. The delay will result in appropriate time being added to the full game time, based on the judgment of the referee. Otherwise, each game will be played with a running clock and no suspension of the clock time. However, all preliminary games will be terminated not less than five (5) minutes prior to the scheduled start of the next game. The failure to complete any game due to a serious injury requiring suspension of the game play shall be controlled by the preceding section,

SUSPENDED AND TERMINATED GAMES: The team captain, president, coach and/or manager must advise the referee of critical medical conditions of any player. Referees are instructed to stop the game immediately and summon medical staff in the event that a player with a critical condition requires medical assistance.

PROTESTS: Only protests of eligibility and misapplication of the Rules of the Game will be considered. ***PROTESTS OF JUDGMENT CALLS BY THE REFEREE WILL NOT BE ACCEPTED!***

To be valid and eligible for consideration, each protest:

- 1) Must be verbally lodged with the referee, field marshal and opposing coach at the game site before entering the field of play or before leaving the game site.
- 2) The MASC Commissioners must be verbally notified of the intent to lodge a protest within 15 minutes of the end of the match or decision being protested.
- 3) Must be filed with the MASC Commissioners within 1 hour after the completion of the game being protested and include:
 - a) A legibly written copy of the protest, which must include full particulars of the grounds on which the protest is lodged.
 - b) A legibly written copy of any information to be presented by witnesses.

The Tournament Appeals Committee (tournament director, co-directors of competition, director of officials and NIRSA Championship Series committee member) will meet in closed session within a reasonable time after the receipt of the protest. If any documentation or "proof" is provided, it will be the sole discretion of the Committee on how to view/consider the proof/documentation. The decision of The Tournament Appeals Committee will be considered final and not subject to further review. The Tournament Appeals Committee reserves the right to adjust the

schedule when the formal protest is received. A game upon which a protest is upheld will be replayed at the earliest possible date. The date, time and location of the match will be determined by the Tournament Appeals Committee. Any sanctions levied by the Tournament Appeals Committee can only be effective at the championships. Recommended sanctions that would apply to future tournament(s) must be referred to the MASC Commissioner

INCLEMENT WEATHER OR ACT OF GOD: In the event of inclement weather or act of God that occurs once the games have begun, winners will be decided based on points earned up to that point, with any tie breakers being determined using the protocol outlined in the Conference Policies.

FAILING TO PLAY GAME: Teams voluntarily choosing not to play a game in the tournament will be removed from the tournament. Teams will receive a one-year sanction (Not allowed in the 2019 Midwest Alliance Cup). The team will also receive a \$200 financial sanction that must be paid prior to participating in the 2019 season. Notice of this will also be sent to the institution's club administrator.

NCAA RULE CHANGES IN FORCE FOR TOURNAMENT: The following NCAA Rule changes will be in effect for the tournament:

1) Kickoffs

- a) The kickoff may move in any direction.
- b) The player kicking the ball may be on either side of the halfway line, while all other players must be on their own defensive side of the halfway line until the ball is played.

2) Free Kicks

- a) During a free kick restart, the ball must be touched and clearly move in order to be in play.

3.) In the event a ball is played into the ceiling of the Grand Park Events Center, play will continue without stoppage. If the ball goes out of bounds after hitting the ceiling, the team responsible will lose possession.

Pre-game practice space is limited, teams may practice outside the Events Center or do non-ball warm-ups while games are being played.
